

Miller's Encyclopedia Of World Silver Marks

by MILLER, JUDITH

Miller's Encyclopedia Of World Silver Marks

The only books on the subject that will enable you to identify, confidently and reliably, an unknown piece of silver from any country around the world. An invaluable reference book set for collectors, academics, dealers and students. Designed as the essential reference tool for appraisers, collectors and dealers of silverware, the Encyclopedia is an indispensable guide for anyone researching silver hallmarks, offering clear and wide-ranging reproductions of thousands of hallmarks from more than 60 countries and regions, past and present, on every continent. It is also clearly and logically organized into two volumes for ease of reference beautifully presented in a slipcase.
